7. Sexting at Kate Werble Gallery

In an age where the smart phone becomes an extension of the body, the group exhibition "Sexting" at Kate Werble explores our dependency on our devices in relation to sex and the selfie. As artist Carmen Winant states in the show's accompanying text: "When else in history have we been both author of, and witness to, our own bodies in sex?"

Location: Kate Werble Gallery, 83 Vandam Street
Price: Free
Time: 6:00-8:00 p.m.
